

NATIONAL FOREIGN INTELLIGENCE BOARD

MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE BOARD

SUBJECT: APEX Control System

1. By this memorandum, the proposed APEX Control System, the inter-agency APEX Steering Group, the APEX Control Staff (Office of the DCI) and the position of Special Assistant to the DCI for Compartmentation are abolished.

2. All support to DCI functions and responsibilities for managing and monitoring special access programs as specified in Executive Order 12065, paragraph 4-2, will be performed by appropriate existing DCI Committees, i.e., SECOM, COMIREX, SIGINT, et al. I assume that the NSC will revoke at my request PD/NSC-55, dated 10 January 1980.
